WELCOME TO CONSTRUCTOR NORWAY AS

We are a leading provider of industrial storage and shelving, expertly designed and engineered to enable businesses to increase capacity, productivity and efficiency.

As a key part of the Gonvarri Material Handling group, we've helped some of the worlds' leading brands and pioneering SMEs, providing them access to global expertise and support. We work with our customers through the complete lifecycle of their storage needs, from initial planning through to installation and ongoing service and support. We are committed to developing storage solutions that help our customers work more quickly and efficiently whilst becoming more profitable. Simply put, we make it work!
